

What Is A Member Congregation?

A Member Congregation is unable for various reasons to commit its facilities or volunteers. Instead, the Member Congregation supports the Family Promise Mission by promoting the program and providing regular monthly financial support. The following are the basic elements needed to be a Member Congregation:

- The congregation provides a person to serve as the Primary Contact to receive and share program news and information.
- The congregation provides financial support in the amount of at least \$200/month.
- The Member Congregation also commits to:
 - ✓ Make a minimum one year commitment in writing.
 - ✓ Publicize and promote the Family Promise Program within the congregation.
 - ✓ Promote and support fundraising events.

To become a Member Congregation contact our Network Director at 678-376-8950 or familypromise@bellsouth.net.
