

## Ending Homelessness... One Family at a Time

Family Promise of Gwinnett County helps children and families who are experiencing homelessness to return to stable housing.

With volunteer support, last year we served 494 people. In addition, we provided 21,376 meals and 7,959 bed nights.

At \$8 per meal, \$50 per bed night, and \$15 per hour for volunteer efforts, **we tripled the value of every dollar donated.**

You can contribute by sponsoring the Bed Race which will be on **April 21, 2018**. This is our most visible community event. Sponsoring the Bed Race brings attention to your business during a community event that draws people to the Lawrenceville square for a fun-filled Saturday.

### Family Promise Programs

**SaltLight Center** is an emergency shelter for single women and women with children.

**Homeless Recovery** provides families with shelter and services to secure employment and housing.

**After Care** helps families who graduate from homeless recovery as they continue the path to self-sufficiency.
