

Ending Homelessness... One Family at a Time

Family Promise of Gwinnett County leads families experiencing homelessness toward stable housing.

In **Homeless Recovery**, local churches provide shelter while we guide families to secure employment and housing. Last year we served 18 families in Homeless Recovery - 18 adults and 41 children. Seventy percent of the families graduated with jobs, housing, and financial savings.

AfterCare supports graduate families as they continue toward self-sufficiency. Last year AfterCare served 26 families - 33 adults and 68 children.
