## How Are We Combating Family Homelessness?

Family Promise of Gwinnett's mission is to mobilize communities and congregations to help end homelessness, one family at a time.

**We identify the problem.** When people think of homelessness, they typically don't think of families. But in reality, 35% of the total homeless population in the United States is comprised of families. An estimated 10,000 people in Gwinnett County experience homelessness, and roughly half are children.

**We create the solution.** The key to serving homeless and low income families is helping them achieve sustainable independence through coordinated compassion.

**We engage communities.** Family Promise of Gwinnett is one of over 200 affiliates of Family Promise. Each Affiliate serves families with the help of volunteers who create a home-like atmosphere for parents and their children.

## How We Help

Family Promise recognizes that family homelessness and poverty are complex issues that require comprehensive, innovative solutions. Solving homelessness is not just about housing. Our holistic approach to the crisis of family homelessness includes three key areas of focus: prevention, shelter, and stabilization.

### The Promise Haven Program

Promise Haven program provides 30-90 days of shelter for families with children experiencing homelessness in Gwinnett County. While staying with us, families receive hospitality from community volunteers and case management services. Parents participate in our Empowerment Program focused on employment, budgeting, parenting, and life skills, all aimed at helping families secure long-term housing and stability.

### Families Forward

Families Forward is designed to help families continue moving forward after graduating from Promise Haven. The goal of this program is to provide ongoing stabilization, support, and resources to help families achieve long-term self-sufficiency. As part of this program, we offer transitional housing for families who are ready to live independently but require additional time and services to achieve total self-sufficiency.

## Get Involved

Family Promise of Gwinnett believes in offering people the opportunity to give of their time, treasure and talent. Volunteerism strengthens the community by fostering connection, support, and positive change for those in need.

### Promise Haven

Congregations, community organizations and volunteers play a vital role in supporting families every evening by offering hospitality and encouragement. Promise Haven offers a variety of volunteer opportunities, including providing dinner and fellowship.
